

Sarah Maldonado

Tallahassee, FL 32304

(305)9860625 | sarahmaldonado2003@gmail.com

Skills

- **Computer proficiency:** Microsoft applications, Canva, Figma
- **Programming experience:** Python, R, JavaScript, HTML, MySQL, Bash

Education

Florida State University – Tallahassee, FL
Bachelor of Science, Information Technology

Expected: May 2025

Professional Experience

Playa Bowls, Tallahassee, FL

Cashier and Server

June 2023 – January 2024

- Acknowledged for speed and efficiency in a fast-paced environment by delivering orders that exceeded expectations
- Collaborated effectively with the team to expedite orders quickly while avoiding mistakes to meet the restaurant's expectations
- Developed skills in multitasking, management, and communication through interactions with customers and coworkers

Projects

Application design, Florida State University

January 2024 – May 2024

- Collaborated with a team of four to research how to design an app for children with asthma and their parents
- Addressed the challenge of simplifying medical information for children by developing age-appropriate content and user-friendly designs
- Designed app prototypes and presented them to the class, demonstrating the app's features and potential impact on asthma management

Predictive Analytics, Florida State University

January 2024 – May 2024

- Analyzed Airbnb listings dataset for New York City and applied data preprocessing techniques, feature engineering, and statistical analysis to optimize model performance
- Utilized machine learning algorithms to create predictive models for listing prices, aimed at providing users with insights into future pricing trends
- Collaborated to present and compare our findings to the rest of the class

Awards

International Baccalaureate Certificate

June 2021

Florida Bright Futures Academic Scholar Award
2025

June 2021 – May

Deans list

August 2022 - May 2024
